5. Title of proposed action: Snow White Mine M0490030, PABCO Building Products LLC dba Interstate Brick Co.	
6. Description: Mining consists of removing and stockpiling topsoil and overburden materials, excavating and stockpiling the clay layer with a track-hoe and dump truck. Stockpiled clay is later hauled to the brick plant in West Jordan. There is no on-site processing. Operations are conducted for only a few weeks each year. Air quality permits are not required for this operation. Fugitive dust will be controlled during operations as needed. After Operations all highwalls and slopes will be regraded to a 3h:1v slope. Six inches of topsoil will be spread over regraded areas and seeded with species adapted to the post mining land use. Mine roads will be ripped to 18 inches to eliminate compaction, topsoil replaced, water bars will be constructed as needed to control erosion, and seeded. There are no facilities/structures or impoundments at this site.

INSTRUCTIONS

I. Whenever a State agency proposes or is administratively responsible for an action not exempted, it shall complete a State Action form and forward one copy to the Governor's Office of Planning and Budget and the effected areawide clearinghouse(s). All State Actions reviewed by the Resource Development Coordinating Committee (RDCC) within 30 days of receipt will forward all comments and recommendations within the 30-day review period to the initiating State agency. State Agencies may request an extension to the 30-day review period, if additional information is needed.

Questions encountered with the areawide clearinghouse review should be directed to the areawide clearinghouse. The Governor's Office of Planning and Budget will wait for the affected areawide clearinghouse(s) to complete their review before issuing a final clearance to the originator on this STATE ACTION.

II. If the proposed action affects lands within the Jordan River Natural Conservation Corridor (see **Error! Not a valid link.**), a copy of this completed form must also be submitted to:
